Volume 27, Issue 04

April 2016

THE PRESIDENT'S MESSAGE

Hi everyone....

The weather cleared up for our March meeting, and what a surprise we had for our members, when they arrived at the yard.

The new Car Port or Engine Barn was erected and looks great. As soon as the yard dries out we can place the clubs Conex next to it and push the Fairbanks under it, along with some other items in the yard....

We voted on this shed at our February meeting and March we had it in place. Thanks to those that helped seeing this project through! What a great club.

The "Just for Fun Tractor Run" got underway before the last meeting and the guys had fun. Came back for some Pizza and soda's....Thanks to Ron Zega & Robert Meyer for organizing this event and for Luci delivering the Pizza.

April is always a getting ready month, for the Annual Calif. Antique Engine & Tractor Show in Tulare, which is scheduled for Fri. April 15th-17th followed by the Elks Car Show in Lancaster, in May.

We have scheduled June 11th for our annual Fire-up & Swap meet. So get your good stuff together and bring it down to our yard to sell.

Our membership Chairman Ron Hanson is still busy collecting your membership dues for 2016. Please get your dues paid as soon as possible by mail or at the April meeting.....

Let's continue to have fun and Happy Birthday to all the April Birthdays.

You're Club President, Bob Hanson

Remember we meet the second Saturday of the Month.

RUSTY RELICS BUSINESS MEETING

Last Held March 12, 2016

The meeting was called to order at 2:11 PM.

The Flag was in place and David Williams led the Flag Salute.

Guests: Carmel Rams, Ray Folcks friend.

OFFICERS REPORTS:

PRESIDENT: Bob Hanson thanked everyone for coming out to our Saturday meeting. The rains have passed and gave us a few days of sunshine.

Bob spoke about the surprise out back. Our new car port or shed that was erected on March 2nd, for our clubs engine. Bob thanked Ron Hanson, Bill Forbes, David Pickus, Paul Ogden and Robert Meyers for being present during the construction of the shed.....Nice Job folks.

Bob thanked Ron Zega and Robert Meyer for heading up the "Just for fun tractor run" early this morning. Lunch for the riders was provided by the club.

Bob said, Happy Birthday to all the March Birthdays and Anniversaries.

Thanks for those who showed up for the work party. Due to the rain earlier in the week, we were not able to put the Conex in place and clean it out.

VICE-PRESIDENT: Bill Forbes reported that he loved the new shed. We can now cover the engine and other pieces of farm equipment.

We need a Tulare count. We need a list of equipment going to Tulare.

SECRETARY: Cheryl Stacy reported numerous membership renewals in our P.O. Box last month. Received a nice letter from club member Carl Bergman, thanking the club for our donation to the College Scholarship.

TREASURER: Luci Pickus reported finding a John Deere bicycle for \$179. For our clubs raffle. Luci said that the Pedal Tractors were too expensive.

(Since this writing, "Kern Machinery" located in Lancaster, gave us a discounted price, on a new John Deere Bicycle and also donated a plastic Pedal Tractor, for our club raffle). Thank You Kern Machinery.....

John Deere, 2
cylinder tractor.
Ray has had this
for two weeks...
Nice Tractor.

“Just for Fun Tractor Run” on March 12th

Coming out of the yard, is Don Nave on his 1948 Farmall Cub, Ray Folks on his 1940 John Deere, Robert Webb on his 1947 Gibson and Robert Meyer on his 1940 Ford Tractor. All 1940's Tractors....Nice Picture.

Bill Forbes brought in his 1930's newly Re-built Maytag Model 92 engine. Nothing runs like a Maytag.... Bill say's it starts every time!

A few words from our Vice-Pres. of E.D.G.E. & SW Director, Don Young. Spring has arrived. It's warming up. Locally a few shows have already passed. The branch 206 Wellton, Az. show in January was a great one, many exhibitors, swap meeters and numerous spectators. Friday was kids day, they arrived by the bus loads. There was so much food, no excuse for being hungry.

A new Tractor Supply Company opened up and we had a nice display of tractors. A group of members had a tour of the Nethercutt car museum where we viewed many beautiful early automobiles.

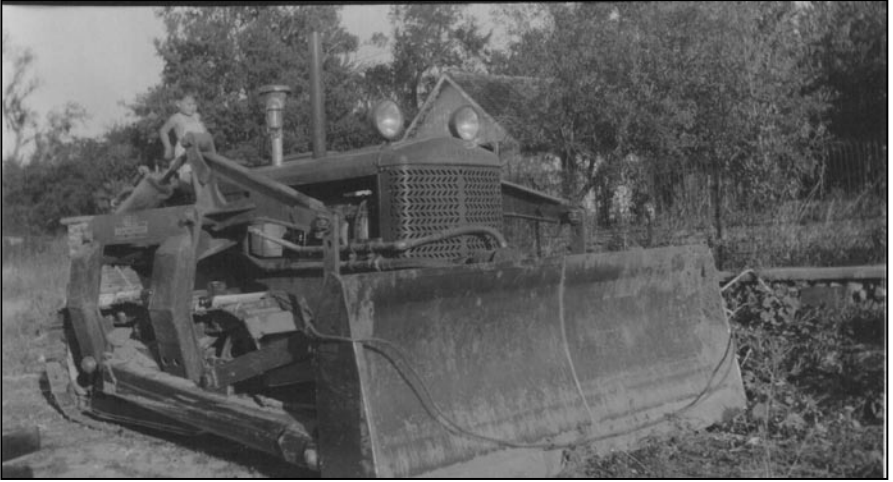

In California you can attend a tractor show every weekend. Looking forward to attending the National Show June 10-12 in Alaska hosted by Branch 52. Take time to view our website periodically as there are changes being made. Review the safety rules that apply to you, safety does not take a day off.

Engine Barn 3/12/16

The clubs new engine barn or shed. Erected on March 2, 2016. Dimensions are 36 ft. long, 18 ft. wide by 13 ft. 6 inches high. When our clubs Conex is placed next to it, all three sides will be enclosed and the Conex will help give added support.... When you stand under it, it's BIG!

CELEBRATING 100 YEARS OF CLETRAC AT TULARE.

The above photo is an Oliver Cletrac and the picture was taken in 1950 or early 1951. It had a Hercules 6 cylinder diesel engine with a six speed transmission. The Dozer attachment was manufactured by the Heil Road Machinery Company. If you look closely at the picture, you will find a young 6 year old boy standing on the seat. His father began a successful Soil Conservation Service back in the late 40's with a Cletrac Bulldozer.

The young boy is now a member of our club. Who is he?

His wife's name is Maryln.....Great old picture.

RESERVATIONS RECOMMENDED FOR SWAPMEET SPACES

Down – Home – Cooking

This is a collection of receipts by Rusty Relic's Members Past & Present.

CROCK POT STEW

3 – lbs. stew beef cubes	6 –oz. pkg. sliced mushrooms
1 – Box (2 env.) Lipton soup mix	½ cup chopped parsley (reserve some for garnish).
12 oz. beer	2 T. cornstarch
½ cup of butter	

Place all ingredients in crock pot until ready to serve, 8 hours on low – 5 to 6 hours on high, then turn to low. When ready to serve add 2 – tablespoons cornstarch mixed with a little cold water, allow to cook a couple of minutes more, to thicken. Serve over rice or noodles, garnish with parsley.

Linda Murphy

This receipt is a re-peat, but it's cool enough to cook it again.....

PEANUT BUTTER COOKIES

1 ½ C. brown sugar	2 tsp. vanilla
1 ½ C. white sugar	4 ½ C. flour
1 C. butter melted	3 tsp. baking soda
1 ½ C. peanut butter	1 tsp. salt
3 eggs	

Mix sugar, butter, and eggs and peanut butter together then add dry ingredients and vanilla, make into round balls and crush with fork.

Cook at 350 degrees for approx. 10 minutes.

Never cook a roast cold – let stand for a least an hour at room temperature. Brush with oil before and during roasting – the oil will seal in the juices....

A roast with the bone in will cook faster than a boneless roast – the bone carries the heat to the inside of the roast quicker...
