

ON THE TRACTOR SEAT

Volume 25, Issue 08

AUGUST 2014

THE PRESIDENTS MESSAGE

Hi everyone....

Last month was a busy month.....

We had a great turn out for the 4th of July Parade in Acton, and thanks to Ron Zega for setting this up. We mailed the Tractor Seat the Friday before the parade and missed naming a few people that were in the parade. They were Tom & Marylyn Ross pulling a nice looking yellow Crawler and Don Young on his tractor. Pictures of the parade will be in the Tractor Seat.

The last meeting was on July 12th another hot day. Prior to the meeting we had our annual "Family Fun Day Event" at 12 noon. Steve Sturdevant cooked hot dogs & hamburgers and fun was had by all.

Bob Hanson brought his Maytag Model 92 display engine, exhausting thru the nostrils of a cast iron horses head... fun & smoky display.

August is fair time again at the Antelope Valley Fairgrounds in Lancaster. Dates are August 15th – August 24th. *"Please coordinated with our Show Chairman Dan Morgan, as to what you are going to bring in and display"*. Our display area is much smaller this year.

The fair is still a great time to show off your Tractors & Engines.

We have been using Cheryle & Larry Stacey's popcorn machine for the fair events and it was time to purchase our own machine. With the blessings of our club officers a new popcorn machine was ordered and is now here in time for the fair. Thank You Cheryle & Larry for the use of your machine.

You're Club President, Ron Hanson

RUSTY RELICS BUSINESS MEETING

LAST HELD July 12, 2014

The meeting was called to order at 2:16 PM.

The flag salute was held

OFFICERS REPORT:

PRESIDENT: Ron Hanson began by saying the Family Fun Day event turned out to be low in attendance. Only 13 people in attendance. 17 in attendance for the club meeting. Next year we may not have the Family Fun Day event.

Acton parade was nice, no trophy this year. We came in second place. All the parade members had fun. Maybe next year we will have more members on the truck with water guns.....

Aqua Dulce parade is coming up September 20th at 4 PM. We can meet at Ron Zega's house in Aqua Dulce and go from there. More information will be in the next Tractor Seat in Sept. Ron mentioned that after the parade we can have some snacks & libations at his house, as we load up. Sounds interesting.

VICE PRESIDENT: Luci Pickus had no report.

SECRETARY: Cheryle Stacy not present.

TREASURER: Linda Baker reported beginning balance of \$xxxx.xx. Ending balance of \$xxxx.xx. Itemized list of expenses on file with Linda.

It was reported that we made over \$500. At our last Swap Meet.

MEMBERSHIP CHAIRMAN: Jess Baker reported we have 68/70 paid members. If you have not paid your membership dues yet, you cannot display at the Fair.....get paid up.

SHOW DIRECTOR: Dan Morgan not present.

SAFETY DIRECTOR: Bill Forbes reported someone was goofing off in the last parade. Won't mention any name. Was it Bill????? Drive safely.

PURCHASING DIRECTOR: David Pickus thanked everyone for helping at the Clubs Swap Meet. It was nice showing.

PUBLISHER/EDITOR: Bob Hanson reported, lots of nice pictures in the July Tractor Seat. Hope you had a chance to see them.

LIBRARIAN: Scott Wachlin was not present.

OLD BUSINESS: In reference to the large Fairbanks, engine temperatures checks appear to be OK. Should be fine for the Fair this year. It has been running at the correct temperature, we will check it again before the fair. Still working on getting the clubs conex container moved from Leesa's yard.

NEW BUSINESS: It has come before our attention that we will have less space to "Show" at the A.V. Fair this year. We will have our main lot/space but will lose most of the lot to the north. Because of that we will have to down size our number of items coming in. All members will still be able to show if they want to, but there will be a limit on how many items you will be able to bring in this year. Ron & Dan are working on the details and will keep you informed. Not to worry we will still have a great display/show. Please be in touch with Ron & Dan and let them know what you would like to show. It will be on a first come first serve bases this year.

The Vista Show was nice....Kent Butler, Bakers, McCormick's and Frye's camped out for 3 days at the Vista Show. They have a new train station in the back. If you haven't been there in a while, it's a really nice show.

Member George Trahan's wife fell and broke her shoulder.

Member "Junior" Jack McGibbon is recovering from a leg injury.

"WORK PARTY BEFORE THE NEXT MEETING AT 8 AM"
