

ON THE TRACTOR SEAT

Volume 26, Issue 06

JUNE 2015

THE PRESIDENT'S MESSAGE

Hi everyone....

At our last meeting in May, the weather again was getting hot, which allowed us to have our meeting outside. Another great turn out, thanks for attending. May was a busy month, with the Lancaster Elks Car Show & Engine/Tractor Fire-Up. A nice showing of equipment by club members.

The "just for fun tractors run" was before our May membership meeting. Fun by all. Thank You Ron Zega for organizing this event. The submarine sandwich luncheon was great, everyone got there fill... *more info. on page 6.*

Our new attention is now with our annual Club Swap Meet & Engine Fire-Up scheduled for Saturday June 13th. Doors open early AM for yard set-up.

This is an all hands club event and Ron Hanson & Dan Morgan need your help. Gates open at 8 AM for the public till 2 PM. This event is held at our yard, with a short club meeting to follow, at 2 PM.

We will be serving food & drinks all day long, just like we have done before...so come out and have some fun. We plan on having the Grist Mill running and grinding some corn, thanks to Bill Forbes... *more info. on page 5.*

If you can get away, the Vista Engine Show, in Vista California is always fun to see. Scheduled for June 20th – 21st.

The community of Acton, Ca. always puts on a great 4th of July Parade, that seems to be getting larger each year. A big parade for a small community.

We as a club, have been in this parade for several years. *more info. on page 4.*

As a reminder, the Annual Antelope Valley Fair & Alfalfa Festival starts Friday August 21 and continues thru Sunday August 30th. This is also a club event. So get your equipment ready for a nice display.

You're Club President, Bob Hanson

4th of July Parade From Ron Zega, we will meet at the Acton Park, the corner of Crown Valley Road in Acton (you can't miss it, It's that big grassy area with swings, on the corner). We will meet around 7:30 or 8:00 AM on Saturday morning July 4th. The parade starts around 9:00 AM. If you park elsewhere, just drive down the parade route until you find us.

I will try to get us a parade number under 30?

If you have any questions, call me. Ron Zega at 661-478-7671.

Have you hugged your Tractor today???

We were showing at the Lancaster Elk' Car Show

However we do not have any pictures they went from Ron's I-phone to the *cloud*, and they seem to be lost forever. But, we would like to thank our event Chairman Ron Hanson, and club members Bill, Zachary and MaryLynn Forbes, Junior, Norris & Diane Engle, Robert Webb, Ron Zega, George Becker, Robert Meyer, and Kent Butler for showing up, and displaying & running equipment.

In last month's Tractor Seat, I forgot to mention that club member's Tom & Maryln Ross out of California City, were also at Tulare. I know because, during the tractor parade, Maryln was hanging out the passenger side of "Red Dog's" old water truck waving to me! Looked like she was having fun.

Swap Meet & Fire-Up. Coffee and Donuts available in the morning, with Hot Dogs (Regular or Polish) & Hamburgers with the fix-ins, chips & soda's served after 10 AM.

If you would like to come out on Friday afternoon and camp overnight in the clubs dirt field, contact Ron Hanson or Dan Morgan to make arrangements. We expect a good turnout for this event, flyers have been sent out, and the event has been advertised in the local newspaper.

Lots of room, plenty of spaces and we will be firing up some old engines.

Remember, the best deals are made in the morning.....

“Just for Fun Tractor Run”

Ron Zega is leading the tractors out of the yard for the tractor run. Ron is driving his 1952 Ferguson TO 30, with Art Thomas driving his 1952 John Deere Model “A” and Bob Webb following in his 1954 TORO Ground Master.

A close up picture of Bob Webb on his TORO Ground Master, followed by Zachary Forbes driving the Forbe’s, 1945 McCormick Farmall “H”.

A nice picture of club member Don Nave, driving his 1948 McCormick International Harvester "Farmall Cub".

Work in progress engine.

Still sitting on the trailer, is Bob & Ron Hanson's 1917 Fairbanks Morse, Throttling Governor, 3 HP "Z" Series, Ignitor Model, with a Splitdorf Magneto. Rare Find..... Hope to have it running for Mojave Trail Days, in Oct.
