March 2019

THE PRESIDENT'S MESSAGE

Hi everyone....

Our February meeting was well attended, everyone must have been there paying their 2019 dues? The weather was getting cold and windy. We just got our meeting in, between rain storms...

-Next club event, we will be showing, in Tulare on April 12th-14th.

-May 4th we will be showing from 11 to 4 PM, at the Lancaster Elks Car Show.

-We had more discussion on the new club event for this year, and that will be getting together, and camping as a club, and showing at the Vista Tractor & Engine Show, on June 22, 2019. More to follow.....

-Reminder, There is an EDGE & TA National Show coming up in Red Bluff, California in April, and it is in Northern California.

Hope we can get some interest generated from the club.

-Our Annual Club Swap meet is scheduled for Saturday, June 8th, so start gathering your good stuff together, to sell....

-Ron Hanson and Larry Stacy were looking at the clubs Grist Mill, and the 4 HP McCormick Deering engine, needs some attention....before we can show.

-As of this writing, I understand that Larry Stacy has purchased all four new tires, which have been mounted, on the Fairbanks Trailer. Great Job!

See you at the March 9th meeting.

You're Club President, Bill Forbes

PUBLISHER/EDITOR: Bob Hanson no report except, he forgot to list the Tulare Show in the February, Tractor Seat....*I was reminded, by several members...sorry*
Bob, said the cost to have the cover page of the Tractor Seat printed, is getting expensive. Was told that the cost of ink has gone up? Bob will try to print the heavier cover page (24lb bond), on his Laser Printer, to help save costs?
