THE PRESIDENT'S MESSAGE

Hi everyone....

Our April club meeting was well attended, at the Calif. Antique Farm & Equipment show in Tulare. We had nice afternoon weather, a little cold in the morning and no wind or rain.

I would like to thank all of those that showed equipment and those that came up for the day.....I appreciate all your support, it was a fun event for us.

Carl Ross brought his heavy tractors & engines, Ron Hanson brought an engine, Jerry Wood brought a large engine, Zakary Forbes brought some engines and I brought our Farmall Tractor. Our club display looked good.

Carl drove his Oil Pull Tractor in the parade, along with Ron Hanson driving the "Field Marshall" Tractor and Zakary Forbes driving a small yard tractor. The parade lasted a couple of hours, not as big as years past. Spectator support was noticeable low to almost nobody! I don't know what they are going to do.....blame it on the high cost of fuel.

Maybe, it's getting to expensive to attend & show and camp?

I hope you had a chance to attend the Annual Classic Car Show Fundraiser, at the Elks Car Show, in Lancaster. This was a club event.

Please get ready for our Annual Club Swap Meet, that is scheduled for Saturday, June 8th, from 8 AM to 2 PM. Call Robert Meyer or Ron Hanson for details. This is an all hands event. We need everyone's help in setting up and tearing down..... Gather all your good stuff, for the Swap Meet. See page 11.

See you at the May 11th Club Meeting.

You're Club President, Bill Forbes.
