

# ON THE TRACTOR SEAT

Volume 28, Issue 11

November 2017

## *THE PRESIDENT'S MESSAGE*

Hi everyone....

After arranging for us to display at the new "Tractor Supply" store scheduled opening on October 14<sup>th</sup>, I was disappointed that I was not able to attend.

Vice-President Bill Forbes and our Show Chairman Robert Meyer took over and ran the event without a hitch. We had a great turnout by club members who brought big and small tractors of all colors, and we also had some gas engines to run. In talking to the Tractor Supply management after the event, they were very happy and pleased at our showing.....I hope everyone had a good time, the weather was fine and I thank everyone, that made this a successful Rusty Relics event.

October was a busy month for members that went down to the Vista Antique Engine & Tractor show in Vista, I know Ron & Andrea went to that show. Ron displayed a Stover engine and had a great time.

I hope you got a chance to attend to Branch #8 Swap meet that took place on Saturday, Nov. 4<sup>th</sup> in Tulare....It was mentioned in the October Tractor Seat.

I know that Carl Ross showed his Foos Junior at the Boom Town show, at the Taft Oil Museum in Taft, Ca. on October 23<sup>rd</sup> and he had some club visitors. Saw a picture with Phil Shiver, Tim Rice, Ray Folck, Neil Marra & Gary Jolly, all sitting at a table having lunch.

We need to resolve at the next meeting, who the club officers will be for the 2018 term. Get together with our Nominating Chairman, David Pickus and let him know if a club position, is something that you would like to fill.....

See you at the November 11<sup>th</sup> meeting, which is also Veterans Day.

You're Club President, Bob Hanson
