

ON THE TRACTOR SEAT

Volume 29, Issue 09

September 2018

THE PRESIDENT'S MESSAGE

Hi everyone....

-At our August club meeting was the unveiling, of the repainted Black Fairbanks Engine & repainted Gray Trailer. Robert Meyers & Clay Anderson spent countless hours painting, restoring and replacing old piping, to make to the Fairbanks show ready! And did it look nice. Thank You, gentleman.....

Well, the 2018 Antelope Valley Fair is over for another year, and as they say in the movie business, "It's in the Can" and it is over.

Our club displayed well, with plenty of engines, tractors and miscellaneous pieces of equipment, for the public to view.

Many thanks to those members that brought equipment and worked the Fair for the full 10 days, and for those members, that helped.

Thank You club member Paul Ogden, for picking up the Fairbanks Engine & returning it back to the yard.

It was a tough show. Setting up and tearing down went smoothly, and nobody got hurt.....

At the Rural Olympics, VP Bill Forbes presented a worthy student a scholarship check, from our club, in the amount of \$500.

In appreciation for all the hard work, on the last day of the fair, and to go along with the clubs pot luck dinner, Ron Hanson picked up plenty of Roasted Chicken & fixings, paid for by the club, for all club members & guests.

Now, don't forget to participate in the Auga Dulce Parade coming up on Saturday, September 15th. Staging at 2 PM, Parade start time 4 PM. Contact Ron Zega for details. The parade starts in front of his house.

You're Club President, Bob Hanson
