As Always on the second Saturday of Every month.

I am currently at the A.V. Fair. This year they put us over next to the old Rural Museum next to the animal barn, we are kind of out of the way, but we still made a good showing of it.

A special thanks to all who helped us set up at the fair and spent time with us there and talked to people and just had a good time.

It's getting to be the time of year where we can Elect new officers, any members who would like to fill one of the positions are more than welcome to step up. some positions are currently unoccupied.

The Christmas party this year will be at my house ( 50653 60th St West, Lancaster, CA 93536 ) Dec.10th at 6 PM show up at about 4 to 5 and visit. The club will provide the meat and drinks. Everything else will be potluck, when it gets closer we will start a list and see who wants to bring what.

The EDGE & TA National show in 2023 will be in Oregon on Father's Day weekend see the flyer enclosed.
